

LO/IST

A DJ is seen from behind, performing at a club. The DJ is wearing a grey long-sleeved shirt and is positioned behind a Pioneer DJ setup. The background is filled with a large, energetic crowd of people dancing and socializing. The lighting is dim and atmospheric, typical of a nightclub setting. The overall scene conveys a sense of a high-energy dance music event.

BIOGRAPHY

Lost Stories are a name synonymous to Dance Music in India and South Asia. Ranked no.52 on DJ Mag (2016-17) and labelled the 'Scene Starters' by DJ MAG, Rishab & Prayag began their journey down dance music back in 2008 earlier producing trance and progressive house and garnering support from heavyweights like Tiesto, Armin van Buuren, BT, Markus Shulz etc. They then evolved their sound with their debut album - Music for the # Generation (Universal Music) in 2012 which was the no. 3 album on Top 100 Dance Albums iTunes charts.

Ever since they've had 3 #1 singles on iTunes and remixed the likes of One Republic, Afrojack, Alan Walker with releases on Universal Music, Interscope Records, Sony Music and Spinnin Records.

Lost Stories are India's biggest dance music exports with top performances at Tomorrowland (2015-18), Global Citizen Festival, Mysteryland, New Horizons Festival, Electric Daisy Carnival, Sunburn, VH1 Supersonic etc.

They've done extensive club and local festival tours in India, UAE, China, Europe, Mexico and multiple South Asian Countries.
